

## THE WELD WIRE DIFFERENCE:

**SUPPLYING THE HIGHEST QUALITY WELDING PRODUCTS FROM STOCK AT THE LOWEST COST.**

For over 65 years, we at Weld Wire have committed ourselves to supplying our customers with what they want, when they want it. We pride ourselves as a "Mill Depot" with the capabilities of supplying your large volume needs, shipping almost any size order immediately from our huge inventory (over 25 million pounds) of welding wire and electrodes, including: stainless, nickel, aluminum, steel, chrome-moly, and many other specialized alloys ranging in sizes from 0.020 to 1/4". We supply what you want, when you want it.

As a family owned business, we take pride in being different from other suppliers. We set ourselves apart by dealing directly with manufacturers of ALL sizes.

All of our products meet AWS requirements and ship with actual certs.

We are ISO 9001:2015 certified for our Quality Management Systems.

## WELD WIRE GIVES BACK

Weld Wire believes in its social responsibility in the global marketplace, so we contribute a percentage of new sales to causes that are important to our team. As a family owned business, we take pride in our employees and the organizations that matter to them. These are just some of the charitable organizations we frequently contribute to:
